30mm

Errata No.9999-1

12 points, bold face

Assume a temporary number on submission.

Paper No: 99980001

Title: A study on computational mechanics

10 points,
bold face

Authors: Kogaku KEISAN (University of Keisan), Kazuo MANABU (University of Suuchi)

30mm

Errata

10 points, bold face

- (1) Page 2, left column, line 3, remove “complex.”
- (2) Page 2, left column, line 14, remove the entire line containing “complex.”
- (3) Page 3, right column, equation (13), change “ $f(x)=\sin x$ ” to “ $f(x)=\cos x$.”
- (4) Page 5, Table 5, column 4, row 5, change “0.55” to “0.56.”

Use 10 point
roman letters
for all other
parts.

Manuscript received, January 1, 9999; published, February 1, 9999. Copyright © 9999 by the Japan Society for Computational Engineering and Science.

Put this footnote at the bottom of the first page of the errata.
Assume temporary dates on submission.
