

Accomplish Record

Objective accomplishments are (1) Peer-reviewed papers, (2) Proceeding papers or abstracts for international conferences, (3) Books, exposition and etc. Put each of these items into numerical order (descending order from the present to the past). If peer-reviewed papers are listed, they must have been accepted. Add pages if necessary.

For papers: All the authors (order as in original article), paper title, journal name, volume, number, pages, year; For proceeding papers: All the authors (order as in original article), presentation title (Oral or poster presentation), conference name, venue, country, year; Books or expositions: All the authors (order as in original article), article name, assigned chapters and/or sections (with page numbers), year.

If there are awards received regarding (1) and (2) (paper awards, presentation awards and etc.), append the information after each of the items.
